Resolution 4 – Issue of Shares under ESP001 to Non-Directors in Lieu of Cash Directors Fees Summary

The non-executive Directors of Giaconda have all subscribed to the Giaconda Employee Share Plan ESP001 (ESP001). Under ESP001, the participants can elect to receive shares in the Company in lieu of all or part of their Salary. The shares are held on trust for the benefit of the participants. The trustee is Giaconda ESP001 Pty Limited.

Entitlement of Directors

The Non-Executive Directors have elected to convert the following amounts to be paid to them as directors fees to shares under this Scheme:

Prof Em Anthony Moon (subject to re-election)	\$43,000.00
Mr Trevor Moore (subject to re-election)	\$43,000.00
Mr Richard Woods, Chair	\$91,000.00
For Financial Year ending 30 June 2008:	\$177,000.00

The above amounts are the total amounts for all participating directors.

The recommendation to issue

ESP001 permits shares to be either bought on market or issued by the Company. If the shares necessary to cover the Director's current and future entitlements were bought on-market, this has the potential to create a false market in the company's shares because of the very light trading volumes. In order to prevent this, it is proposed to issue new shares to ESP001 to cover this entitlement. This also provides the Company with a cash conserving mechanism.

Approval required

Under ASX Listing Rule 10.14, shareholder approval is required for the issue of shares to Directors or their associates under an employee incentive scheme. ESP001 constitutes an "Employee Incentive Scheme" as defined in Ch19 of the ASX Listing Rules. The directors of Giaconda Limited who are also eligible to participate in the Employee Share Plan (ESP001) are Prof Tom Borody, Mr Patrick McLean, Prof Em Tony Moon, Mr Trevor Moore and Mr Richard Woods.

Proposed Issue Price

The directors have determined that the appropriate issue price for these shares is:
For entitlements up to the end of 30 June 2008: the "Market Value" of the shares as defined in the ESP001 Scheme Rules.

What is "Market Value"?

"Market Value" under the ESP001 Scheme Rules is defined as:

"Where Giaconda's Shares are listed on the ASX (or another approved stock exchange within the meaning of section 139GD of the Tax Act):

- the weighted average of the prices at which those Shares are traded on that stock exchange during a five Business Day period up to and including that day; or
- if no Shares are traded on that stock exchange during that period, the last price at which an offer to buy is made on that stock exchange during that period; or
- if no such offer is made, the value determined under section 139FB of the Tax Act if that section applied to the Share. "

Timing and details

The approval is for a maximum of 750,000 shares to cover the forward entitlements of the Directors to the end of June 2008. Only those shares necessary to meet these forward entitlements will actually be issued. It is anticipated that the actual number of shares required to be issued will be significantly less than the number approved, depending on movements in the share price. The shares will be issued within 12 months of approval.

Details of all shares issued to ESP001 pursuant to this approval will be published in the annual report of the Company.

The following shares were issued to non-executive directors for the period from their appointment to 30 June 2007, (as per the Members approval at the 2006 AGM):
